PASTORAL MESSAGE

Welcome to Newlife Church and to the World Adventurer Sabbath.

Raising our little ones for Jesus is a divine assignment that every God fearing parent will do it with all jealousy for it is an opportunity to develop total persons; physically, mentally and spiritually for the glory of God and for the good of humanity.

“Train up a child in the way he should go: and when he is old, he will not depart from it”. (Pr. 22:6 KJV)

“Many (parents) neglect their duty during the first years of their children’s lives, thinking that when they get older, they will then be very careful to repress wrong and educate them in the right. But the very time for them to do this work is when the children are babes in their arms. The lessons that the child learns during the first seven years of life have more to do with forming his character than all that it learns in future years.” Child Guidance, p. 193,194

Families are urged to fully invest in the upbringing of children at their early age. May the Lord help us.

Blessed Sabbath.
