PASTORAL MESSAGE

Praise God saints of the Most High and welcome to the Education Sabbath. "The knowledge of the Holy is understanding," says the wise one. "True education means more than the pursuing of a certain course of study. It means more than a preparation for the life that now is. It has to do with the whole being and with the whole period of existence possible to man. It is the harmonious development of the physical, the mental, and the spiritual powers. It prepares the student for the joy of service in this world and for the higher joy of wider service in the world to come." Says the prophet to the Remnant church.

The source of true education is God. For in Him "are hid all the treasures of wisdom." and "He hath counsel and understanding." (Colossians 2:3, Job 12:13.) The true "higher education" is that imparted by Him with whom "is wisdom and strength" (Job 12:13), out of whose mouth "cometh knowledge and understanding." Proverbs 2:6.

Since God is the source of all true knowledge, it is, as we have seen, the first object of education to direct our minds to His own revelation of Himself.

Sabbath shalom.
